### Other Helpful Notes

- Please pack in 1 small duffel bag or suitcase per child! Be sure to label everything with your camper's name.
- Check the weather forecast before camp - we will be sleeping in cabins that are not heated or insulated. You may need warmer pajamas or bedding than you would use at home. Bring layers for daytime.
- Bring any medication you may need to take while you are at Camp; **all medications must be in original bottles (no baggies).**
- Campers must wear tennis shoes *at all times*. Please do not pack or send sandals or flip flops of any kind. **Crocs can only be used for showering, they are not allowed for camp activities.**
- **PLEASE! NO WATER BALLOONS, WATER GUNS, KNIVES, WEAPONS, OR FIREWORKS AT CAMP. LET'S HAVE FUN AND BE SAFE.**
